## LUNCHEON

Please note that there will be no January luncheon as the first Tuesday is New Year's Day!

However... there is a group of women who would like to meet up for an impromptu lunch. If you would like to come along let me know so I can find a place that can accommodate us.

We will meet on Thursday January 3, 2019 at 11.00am

## FROM OUR PRESIDENT

Happy New Year to one and all.

2018 went by so fast it is hard to believe we are in a New Year. The Compass Club has gained new members; we welcome you warmly and hope you will find the interest group that fits your need. We are so happy to have you join us in our fun. Our fundraiser went very well so it feels good starting 2019 on a positive note.

The first cardiac pacemaker, invented in 1952, was so large the patient had to push it around like a shopping cart. In 1957 they were made smaller and could be worn around

the neck like a pendant. In the same year Swedish inventor Rune Elmquist started working on the world's first fully implantable cardiac pacemaker. A cardiac surgeon at Karolinska Hospital in Solna

by the name of Åke Senning encouraged Mr. Elmquist knowing he had invented the EKG in 1931. Their first patient Arne Larson a former Hockey player for the Swedish National Team got his pacemaker implanted on October 8, 1958. The pacemaker stopped working after just a few hours, and had to be replaced. The new one worked for six weeks, Mr. Larson went on to receive 25 more pacemakers in the 43 years following the first transplant. He died in 2001, aged 86, from causes unrelated to his heart problems or his pacemaker. Mr Lar-

son even outlived Mr. Elmquist by five years.

As the new year begins I would like to get some input from all of you how we can improve as a club. I propose that we increase the membership and consider having a second fundraiser. The ideas are endless, please share all your creative input. I am excited to work collaboratively with all of you to take the Club to the next level.

## PHILANTHROPY

Welcome Ladies. The new year is beginning and at the June 5, 2018, Compass Luncheon, the members voted as their 2018-2019 Philanthropy project **Inland Northwest Honor Flight**. Inland Northwest mission is to transport Inland Northwest war veterans to Washington, D.C. to visit those memorials dedicated to honor their service and sacrifices. Top priority is given to our most senior heroes of WWII and Korea as well as those veterans with serious health issues who wish to visit their memorials. This is a great way for us to honor our veterans.

Because New Year's Day falls on the first Tuesday of January, there will be no Compass Luncheon in January. I will be selling raffle tickets at the February 5th, luncheon.

At each luncheon, there will be a ticket drawing for a winner of a surprise. Thank you for your generous support of Inland Northwest Honor Flight.

Patty McCarty,  
Philanthropy Chair

### WINE TASTING

This is just a quick reminder that our group is taking a break for the holidays so the next wine tasting will be on Wednesday, February 6<sup>th</sup> 5 pm at the award winning Maryhill Winery at 1303 W. Summit Parkway, Suite 100 in Kendall Yards. Please look for more information on this event in the February newsletter. If you are interested in joining the group, please contact Rita Van Cleve or Jan Carrington.

### Ding Dong Decorations!

It's not too soon to think about putting your name in the ring for Decorations for the 2019-2020 year. It's a very fun position with lots of members to help you put out the table decorations & assist with any DIY projects. **Time to have fun!**

Shari Russell  
Decorations (outgoing)

### BRIDGE

Bridge Group continues to meet the second and fourth Tuesdays of each month, starting at 1:00, with play rotating between member's homes. We are a friendly group that

plays "party" bridge with an emphasis on learning. We always welcome new players. "Car Pooling" is usually available.

### HAPPY FEET HIKERS/WALKERS

We are a group of ladies that enjoy walking and exploring the Spokane area. We normally walk for about an hour and then grab a beverage at a local coffee shop near our exploration. We have been seen walking areas of the Centennial Trail, Manito Park, Riverside Park, Kendall Yards, Ben Burr Trail and more. In the winter we often walk inside the malls and sky walks.

We will be meeting on the 1st Monday and 3rd Tuesday of each month around 9am (8am when it is hot).

This is a great way to get better acquainted with other club members. Please contact me if you would like to join us. I send out an email 2 or 3 days prior to the walk with the location and time.
