FROM OUR PRESIDENT

Dear Compass Ladies,

Here we are at a time in our lives we never thought possible. So many people sick, so many people dying, feeling so helpless. What can we do? We have to

stick together and do everything we can to stop this horrific virus from spreading. We are a bunch of resilient people; we know how to survive. All we have to do is read the history books - we have always been fighting for one cause or another, and now we are fighting for survival and a cure.

Spring is here, and with that there is a new beginning. Imagine my surprise when my son found an old flower pot outside (it held a nice Easter group last year). Lo and behold, one hyacinth and one little crocus was starting to bloom! That gave me hope - we will survive this and we will bloom bigger and better than ever. Please stay well, my

friends, and remember those who do not have family in the area. Give them a call just to say hi. It will warm their hearts as well as yours.

Stay well, my friends,
Ann Fly ☺

Women must try to do things as men have tried.

When they fail, their failure must be but a challenge to others.

The most effective way to do it, is to do it.

HAPPY FEET HIKERS/WALKERS

We are a group of ladies that enjoy walking and exploring the Spokane area. We normally walk for about an hour and then grab a beverage at a local coffee shop near our exploration. We have been seen

walking areas of the Centennial Trail, Manito Park, Kendall Yards and more. In the winter we often walk inside the malls and sky walks.
